Join us for an AMAZING week of Spring Skiing at BIG SKY in Montana!!

March 17-23, 2024

Base Elevation of 6,800 feet – good sleeping

Nonstop flight from MSP to Bozeman & coach bus to the resort

This time of year, we anticipate *Blue Sky* skiing, longer and warmer days and great snow! Big Sky has been experiencing large March snowfalls and an extended season into late April. We have picked a week between spring break and Easter, so we can expect shorter lift lines. At a lower base elevation than most Western ski destinations, adjustment to altitude should be less of a problem for us Midwesterners!

To guarantee your place on the trip we need your deposit before May 31, 2023.

Room availability and rates are not guaranteed past this date

Discounted lift tickets will be available.

IKON pass holders: If you are purchasing or renewing an IKON pass, a discount for ULLR club members is available at the ski.com website:

<https://passes.ski.com/ullr-ski-social-club>

Or you can call Ski.com's IKON pass concierge at 844-880-014.

You will also receive an additional **\$30 rebate** from Big Sky if you go on the trip.

Travel Insurance

Travel insurance is available through Ski.com AIG Travel Guard Insurance. Travel insurance is 7.25% of your per person package price. Individuals can email grouphelp@ski.com to place trip insurance orders. We recommend purchasing your travel insurance at the time of your registration. Insurance cannot be ordered after final payment has been made.
